

Membership Benefits

Government

NZ TIF advocates on Member behalf to a range of government entities.

Technical + Regulatory

NZ TIF filters through legislative material, sits on standards committees and contributes to finding regulatory and technical solution on Member behalf.

Information Sharing

NZ TIF runs networking events, meetings, news, email updates and publications for Members.

Conference

NZ TIF holds an annual conference with respected speakers on major issues and topics. Members receive a discount on registration.

Regional Meetings

NZ TIF creates opportunities for members to share issues of the day and network with colleagues.

Direct Member Meetings

NZ TIF convenes teleconferences as needed for Members to discuss issues of the day.

Leadership

NZ TIF encourages a shared commitment from the industry's most experienced people. The voluntary Board contributes tremendous benefit and governs NZ TIF's operations.
